ABOUT CASIO

Casio Computer Co., Ltd. is one of the world's leading manufacturers of consumer electronics products and business equipment solutions. Since its establishment in 1957, Casio has strived to realize its corporate creed of "creativity and contribution" through the introduction of innovative and imaginative products. Today, Casio's offerings include timepieces, digital cameras, electronic dictionaries, calculators, musical instruments, system equipment, and others. The Casio Group employs about 11,000 people worldwide, shipping over 100 million products per year, with net sales of 338 billion yen (approx. US\$3,720 million) in the fiscal year ended March 2015. News and product information from Casio is available at <http://world.casio.com/>

G-FACTORY MOBILE APP

Available for download on the Apple App Store and Google Play, the G-Factory Mobile App allows G-SHOCK fans to keep updated on the latest watch releases, sales and promotions, as well as earn reward points and enjoy exciting perks.
